At Zajac Ranch for Children we want to ensure that all children and young adults facing chronic, life threatening or debilitating conditions have an opportunity to participate in a Zajac Ranch camp experience. Mindful that many families with special needs children are burdened

by significant expenses for specialized care, treatment and education for their children, Zajac Ranch for Children established the Zajac Camper Allowance, which offsets the cost of summer camp by a minimum of 50 percent. Thanks to supporters like you, we're able to have a positive and lasting impact on the lives of children and youth with chronic illnesses and disabilities.
